

# LHP Financial Report

(Fiscal Year 2013)

IN 2013 Loving House Project was honored to work in partnership with the Fraternite Notre Dame in Chicago-IL, and help fund the building of a much needed walk-in freezer which will be used to store meats and other perishable foods that they often receive as donations. The Fraternite Notre Dame has a Soup Kitchen program four nights a week and a weekly Food Pantry to assist families from the Austin neighborhood. They also offer an after school program with various activities for the children who, otherwise, would spend their days on the streets. LHP was able to raise and donate \$5,000.00 out of the \$20,000.00 needed to build the walk-in freezer. We are proud and humble to be able to serve the people who live to serve our Brothers and Sisters.

During the year of 2012, Mr. J. Donovan raised funds to build 10 houses in the Tien Giang Province in Vietnam. LHP provided administrative support and, in partnership with the Tien Giang Union Friendship Organization, the 10 houses were built and donated to local families on the First Quarter of 2013.
